Ambledown is an Authorised Financial Services Provider; No. 10287

Guardrisk Insurance Company Limited,
a licensed non-life Insurer and an authorised financial services provider (No.75)

THIS IS NOT A MEDICAL SCHEME AND THE COVER IS NOT THE SAME AS THAT OF A MEDICAL SCHEME. THIS POLICY IS NOT A SUBSTITUTE FOR MEDICAL SCHEME MEMBERSHIP. THE MASTER POLICY ISSUED IS THE SOURCE OF ALL BENEFITS, RIGHTS, AND OBLIGATIONS AND EXCLUSIONS. TO DETERMINE YOUR INDIVIDUAL NEEDS, WE SUGGEST THAT YOU CONTACT YOUR BROKER AND REQUEST ADVICE FROM HIM / HER.

*Where your Medical Scheme ends,
Gap Cover begins.*

Medical Schemes have revolutionised health. They give ordinary people access to advanced life-saving medical procedures that are too costly for most people. Indeed, medical technology and procedures are advancing ever faster, becoming more complicated and more expensive. Medical Schemes and members simply can't keep up.

This expanding gap between medical scheme coverage and the actual fees charged by private healthcare providers has created a financial shortfall with devastating consequences. You, the Medical Scheme member, are liable to pay the outstanding amounts.

That is where Ambledown Gap Cover steps in.

When the Specialists you need charge more than the rates your Medical Scheme pays, our products cover the shortfall – so you don't have to.

Simply put, Ambledown Gap Cover covers the gap.

2023 Product Range

The health of your family is in caring hands

Ambledown cares about more than your medical bills (although, we REALLY care about that). We love what we do. We get excited about every claim we pay because it represents a family that we have helped through a tough situation.

The Ambledown team carefully investigates and identifies shortfalls in Medical Scheme cover to help you mitigate the financial risks that come with life's health risks. That is why we have built the Ambledown Gap Cover Series.

This Insurance Product is designed to protect you and your immediate family from the shortfall (Gap) resulting from any medical practitioner charging above the Medical Aid Tariff for in-hospital surgical procedures and for certain out of hospital procedures.

Choose an Ambledown product that has the perfect combination of benefits for your individual needs.

Waiting periods

- Ambledown will apply the 3 month general waiting period condition to all applications for new membership.
- The only time we would not apply the 3 month general waiting period is:
 - Claims qualifying as an accident in terms of the policy definition, or
 - If the client changes gap cover policies with similar benefits offered by different product providers with the same insurer (CICL).
- A 12 month pre-existing clause applies. The clause excludes claims for any treatment received for a condition for which treatment or advice has been received in the 12 months prior to the inception of the policy. The intention is to exclude any benefit where treatment or advice was received 12 months prior to inception. Once membership is greater than 12 months, then benefits are payable regardless of the date in which the illness manifested itself or the injury occurred.
- Benefit upgrades: A 3 month general waiting period and 12 month pre-existing clause will apply to the additional benefits obtained when a member upgrades cover. The existing benefits enjoyed prior to the upgrade will not be subjected to the waiting periods mentioned.
