### Important:

This is only a summary of the available benefits and deductibles may apply to certain benefits. Please consult the registered Rules of Medihelp and your plan's brochure for more details. In case of a dispute, the Rules of Medihelp will apply (subject to approval by the Council for Medical Schemes). Certain added insured benefits are not available if the patient has registered the medical condition for PMB or chronic medicine benefits, as the treatment is no longer considered as preventive care.

## Added insured benefits

These benefits are provided in addition to your insured day-to-day benefits and are activated when you register on HealthPrint, Medihelp's free wellness programme for members, on the Member Zone. Your health screening results from Dis-Chem or Clicks will automatically upload to your health record on HealthPrint.
