

Stratum Benefits⁺

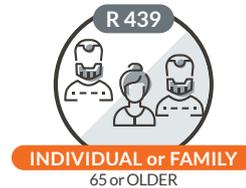

BASE

It's our **foundation option** that covers the **most frequent** medical expense shortfalls that you're most likely to experience on doctors' and specialists' private fees.

BASE PREMIUMS

If you're an individual aged **65 or older**, we'll cover you under the **65+ individual option**.
If you apply for cover as a family, and either you or one of your dependants is **65 years or older**, you and your family will be covered under the **65+ family option**.

Joining as a family? One Gap Cover policy covers you, your spouse and all the dependants registered on both your and your spouse's medical aid plans.

KEY BENEFITS SUBJECT TO AN OVERALL POLICY LIMIT (OPL)

An OPL of R 173 000 per person per year applies to the following benefits. This means that all approved claim amounts will get deducted off the OPL.

GAP COVER

Going into hospital to have your appendix removed, or having a biopsy done in the doctor's rooms?

Gap Cover kicks in when your doctor or specialist charges more than the amount your medical aid pays for **in- and out-of-hospital medical procedures**, as long as it's paid from a **hospital or risk benefit**.

We add an **additional 500%** cover on top of what your medical aid plan gives to cover shortfalls for:

- medical procedures performed by your doctor and specialist;
- basic radiology, like black and white x-rays;
- specialised radiology, like MRI and CT scans;
- consumable items, like surgical gloves;
- dental procedures, like wisdom teeth extractions, limited to **R 6 000 per policy per year**;
- dental procedures due to accidents or cancer treatment, limited to **R 8 000 per policy per year**;
- medication administered during your medical event;
- pathology;
- physiotherapy; and
- Prescribed Minimum Benefit (PMB) medical procedures.

Don't forget... your medical aid must make payment from a hospital or risk benefit, and not from a day-to-day benefit or your medical savings account.

CASUALTY COVER

ACCIDENT COVER

For the whole family

For **immediate** medical treatment due to an **accident** you can go to your nearest **medical facility**.

*ACCIDENTS are unexpected incidents that cause physical injury due to physical impact with someone or something.
IMMEDIATE means within 24-hours from the time of the incident.*

What do we cover? Everything related to your casualty event, like:

- doctors' consultation fees;
- basic radiology, specialised radiology and pathology;
- medication administered during your casualty event; and
- external medical items that's given to you at the medical facility, like a neck brace.

Need a follow-up visit to a medical facility after an accidental event to have stitches or a cast removed? We'll refund that too.

ILLNESS COVER

Only for children younger than 8 years of age

If your child who's **younger than 8** gets sick **after-hours**, we'll cover the cost of a visit to a **casualty facility** and all the healthcare providers' accounts related to the visit.

Casualty Cover is limited to **R 7 000 per policy per year**.

TRAUMA COUNSELLING COVER

Sometimes you just need to talk to someone about it.

If you've:

- witnessed, or are directly affected by an act of physical violence or an accident;
- received news of a loved one's, or of your own diagnosis of a critical illness; or
- mourn the death of a loved one,

we'll refund the registered counsellor's consultation fees that you pay from your **own pocket**, or that your medical aid pays from a **day-to-day benefit** or your **medical savings account**, limited to **R 6 000 per policy per year**.
