

HEALTH SQUARED

ASPIRE PRIME

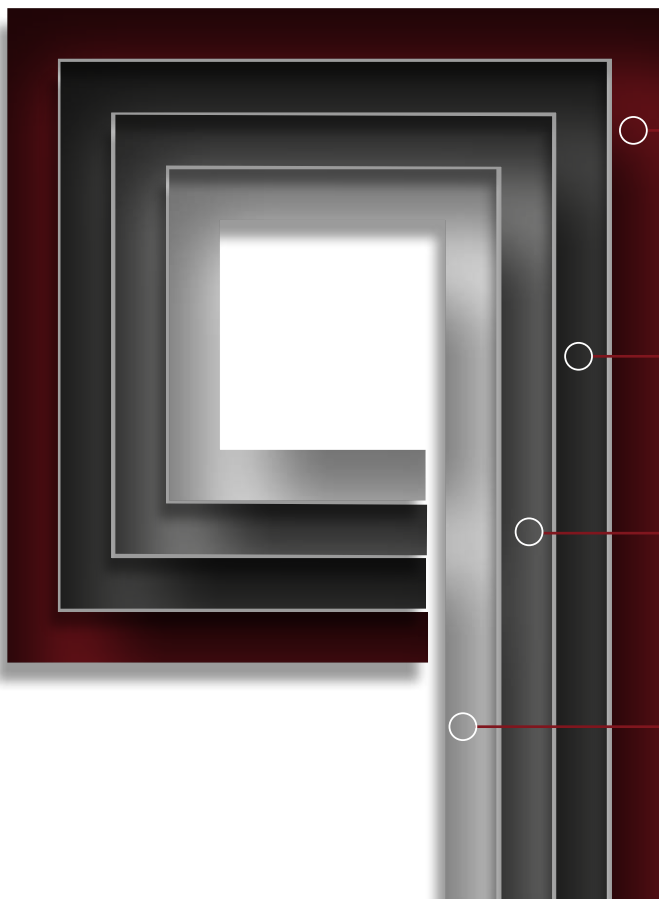

ASPIRE

The **Aspire** option range provides a fully integrated benefit solution that encompasses unlimited hospitalisation, full cover for **29** CDL chronic conditions and preventative care benefits. To round off the benefit range, out-of-hospital GP, physiotherapy and psychology consultations are included to ensure optimised access to quality cover and enhanced member wellbeing.

The bespoke range offers members greater control, freedom and flexibility, with the choice of making use of private network hospitals on the **Aspire Prime** option, or make use of any private hospital on the **Aspire** option.

KEY BENEFIT FEATURES

OUT-OF-HOSPITAL CONSULTATIONS

GP, physiotherapy and psychology consultations available from a wide range of Primary Care Network (PCN) network providers
