

# OPTIMUM |

As a high-end hybrid option, **Optimum** offers quality traditional healthcare cover with the added flexibility of a Medical Savings Account (**MSA**). Ideally suited to larger or more mature families who are looking for generous cover and the freedom of choice when it comes to their day-to-day healthcare needs.

**Optimum** offers some of the industry's most comprehensive benefits at highly competitive contributions. As members, your family will be covered from every angle with a range of extended benefits both in-and out of hospital.

### **KEY BENEFIT FEATURES**

#### **OUT-OF-HOSPITAL BENEFITS**

In excess of **R40 588** worth of out-of-hospital benefits for a family of four, including a flexible Medical Savings Account (MSA) & stated additional benefits

#### PREVENTATIVE CARE COVER

Comprehensive range of preventative care benefits to the value of **R4 588** per family

#### **CHRONIC COVER**

Full cover for **29** CDL chronic conditions & additional conditions covered from the MSA

#### **UNLIMITED HOSPITAL COVER**

At any private hospital, and contracted network hospitals for planned PMB admissions
