

GOLD BENEFITS BROCHURE 2022

Our new generation, high-value, hybrid comprehensive cover option

Why this is the right option for you - smart reasons for a simple choice

You're the head of a more mature family or perhaps a singleton in your prime. You want more in- and out-of-hospital medical cover to meet your family's needs or to give you extra peace of mind in managing your chronic condition. KeyHealth's Gold Option offers you rich day-to-day benefits and a generous medical savings account, a separate, conservative and specialised dentistry benefit, and cover for 44 chronic medical conditions. You also get additional smart benefits like out-of-hospital mental health cover, prosthesis and medical appliance cover, and a hearing aid benefit to help make life a lot simpler.

GOLD OPTION

MAJOR MEDICAL BENEFITS	MST(≤)	BENEFIT	EXPLANATORY NOTES / BENEFIT SUMMARY

HEALTH BOOSTER

The Health Booster provides additional benefits to members at no extra cost. It is aimed at preventive treatment and therefore also gives access to free screening tests.

Only those benefits stated in the benefit structure under Health Booster will be paid by the Scheme, up to a maximum rand value which is determined according to specific tariff codes.

QUALIFICATION:

IYPE OF TEST

PREVENTIVE CARE

Baby immunisation

Flu vaccination

Members qualify automatically for Health Booster benefits according to the set criteria.

- However, pre-authorisation is required in order to access the maternity benefits and weight loss benefits on Health Booster.
 Contact the Pre-authorisation Department on 0860 671 060 to obtain authorisation. (Failing to do this will result in the service costs being deducted from day-to-day benefits)
- Verify the tariff code or maximum rand value with the call centre consultant.

WHO & HOW OFTEN

by the Department of Health.

All beneficiaries.

Child Dependants aged $\leq 6 - as$ required

- Inform the service provider involved accordingly.

SCREENING TESTS:

One of the benefits available on the Health Booster Programme is the Health Assessment (HA). This assessment comprises the following screening tests:

- Body mass index (BMI)
- Blood sugar (finger prick tes
- Cholesterol (finger prick test)
- Blood pressure (systolic and diastolic
- Prostate phlebotomy for PSA tes

Principal Members and their beneficiaries will be entitled to one Health Assessment (HA) per calendar year and can have this done at any pharmacy.

A Health Assessment (HA) form can be obtained at any pharmacy or downloaded from www.keyhealthmedical.co.za.

No authorisation is required for these screening tests.

Results can be submitted by either the member or the service provider and can be faxed to 0860 111 390 or emailed to disease.management@keyhealthmedical.co.za.

GLO	SSARY
Agreed tariff	A tariff agreed to from time to time between the
	Scheme and service providers, e.g. hospital groups A list of chronic illness conditions that are covered in terms of legislation
	A combined out-of-hospital limit which may be use by any beneficiary in respect of general practitione specialists, radiology, optical, pathology, prescribec medication and auxiliary services, and which may include a sublimit for self-medication
	A service provider contracted by the Scheme to manage dental benefits on behalf of the Scheme according to protocols
	A provider that renders healthcare services to mem at an agreed tariff and has to be used to qualify fo certain benefits
	An emergency medical condition means the sudd and unexpected onset of a health condition that requires immediate medical treatment and / or an operation. If the treatment is not available, the emergency could result in weakened bodily functio serious and lasting damage to organs, limbs or othe body parts, or even death
	An additional benefit for preventative healthcare
	Also referred to as KeyHealth tariff. A set of tariffs the Scheme pays for services rendered by service provide
	A cost and quality optical management programm provided by OptiClear
	The process of making an incision in a vein when collecting blood
	A severe bodily injury due to violence or an accide e.g. gunshot, knife wound, fracture or motor vehicle accident. Serious and life-threatening physical injur potentially resulting in secondary complications suc as shock, respiratory failure and death. This includes penetrating, perforating and blunt force trauma
	Over-the-counter (medication or glasses)
	Medical Savings Account
	Medication given to members upon discharge from hospital. Does not include medication obtained fro script received upon discharge
	per beneficiary per annum (per year)
	per beneficiary biennially (every 2 [second] year[s])
	per family per annum (per year)
	per family biennially (every 2 [second] year[s])

easy-ER

CHOOSE EASY-ER – SO YOU DON'T GET HURT TWICE

- Easy-ER offers all KeyHealth members direct and free access to any hospital's emergency room (ER) for medical treatment in emergency situations.
- Easy-ER guarantees full payment without any hidden costs or unexpected fees.

BENEFITS OF EASY-ER

- No upfront payment required.
- Guaranteed payment of the full ER event in case of an emergency.
- Not paid from day-to-day benefits or medical savings accounts.

WHAT QUALIFIES AS AN EASY-ER EMERGENCY?

- Car accidents
- Sport injuries
- Dental injuries (from a direct external blow to the mouth or face)
- Playground accidents

Find out if an injury or illness qualifies as an Easy-ER emergency, by calling KeyHealth's free 24-hour call centre on 080 111 0215.

UNSURE OF WHEN TO GO TO THE ER?

- Contact Netcare 911's 24-hour Health-on-Line service on 082 911 to speak to a registered nurse about medical advice, information and your KeyHealth Easy-ER cover.
- Visit **Netcare 911**'s website **www.netcare911.co.za** for information on first aid, emergencies, childhood illnesses and baby/child safety.

DENTAL EMERGENCIES

- In a dental emergency, if a tooth is broken or knocked out, Easy-ER guarantees the payment of all dental treatment needed to restore the damaged tooth to functional use.
- In the case of such a dental emergency, the beneficiary can go directly to the dental practitioner for treatment.

IMPORTANT

- Easy-ER is available to ALL KeyHealth members.
- The Easy-ER benefit does not include pharmacy or medical appliance claims.
- Any further hospitalisation needed, after emergency medical treatment, will be covered under the normal in-hospital benefit.
- If emergency transport is needed (e.g. ambulance services), KeyHealth's emergency transport provider, Netcare 911, must be called on 082 911.
- Access to emergency treatment at any hospital is guaranteed on confirmation of KeyHealth membership by a Client Service Centre agent.

SMART BABY PROGRAMME

GUIDANCE WHEN YOU NEED IT MOST

KeyHealth's Smart Baby Programme offers support and general advice on health and wellness during pregnancy and peace-of-mind for mothers- and fathers-to-be.

THE SMART BABY PROGRAMME PROVIDES

- Health Booster cover for short/co-payments for ante-natal visits (GP, gynaecologist or midwife), scans and birthing fees.
- Information about KeyHealth's maternity benefits and how to access them.
- The New Baby and Childcare Handbook by Marina Petropulos for first-time parents.
- Access to the KeyHealth pregnancy and childcare Facebook group for information and answers to questions about pregnancy and parenthood.
- Information about baby's first year (e.g. vaccinations, Easy-ER, etc.).
- Access to **Netcare 911**'s **24-hour Health-on-Line** service on **082 911** for medical advice and information from a registered nurse.

SMART BABY PROGRAMME BENEFITS

The benefits available to mothers (and babies) on the Smart Baby programme are part of KeyHealth's Health Booster and therefore free and separate from day-to-day benefits and medical savings accounts.

Ante-natal visits (GP / gynaecologist) and dipstick urine test)	12 visits, 1 of which is following baby's birth	
Ultrasound (scans)	2 pregnancy ultrasounds	
Paediatrician visits (once baby is a registered member)	2 visits in baby's first year	
Ante-natal vitamins	R2 180 per pregnancy	
Ante-natal classes	R2 180 for first pregnancy	

HOW TO BENEFIT FROM THE SMART BABY PROGRAMME

- Register on the Smart Baby programme during the first trimester (first 12 weeks of the pregnancy).
- Make use of KeyHealth's Designated Service Provider (DSP) network of hospitals and specialists to avoid short payments.
- Make sure the DSP hospital and / or specialist clearly indicates the relevant diagnosis code (ICD10 code) on claims.
- Verify tariff codes or maximum rand values with the KeyHealth Client Service Centre on 0860 671 050.
- Get pre-authorisation for the delivery after the second trimester (after week 24 of the pregnancy) by calling the Pre-authorisation Department on 0860 671 060.
- Register baby as a KeyHealth member after birth.

HOW TO REGISTER FOR THE SMART BABY PROGRAMME

- Register using the KeyHealth mobi app which can be downloaded on Android, iOS and Huawei operating systems, or
- Complete the registration form online at www.keyhealthmedical.co.za
