Important

This is only a summary of the available benefits and co-payments that may apply to certain benefits. Please consult the registered Rules of Medihelp and the Member guide for more details. In case of a dispute, the Rules of Medihelp will apply (subject to approval by the Council for Medical Schemes). Certain added insured benefits are not available if the patient has registered the medical condition for PMB or chronic medicine benefits, as the treatment is no longer considered as preventive care.

Added insured benefits

Medihelp provides these benefits on top of your insured day-to-day benefits. You can activate them when Medihelp receives your verified biometric details from your health screening results from Dis-Chem or Clicks. You can view your available benefits on the Member Zone at any time.
